ARS GALLERY / ARTS & CULTURE CENTER

ARS started in July 2010 on the foundation of a cultural summer arts program, designed to sponsor Benton Harbor youth so that they too may have these same experiences as others who can afford it. In 2012 we established the "I Am The Greatest" workshop and in 2014 became a 501(c)3 corporation. We offer a variety of classes and workshops, teaching cultural arts to many area youth, as well as adult classes to reach a broad audience. Our mission is to encourage, enlighten, and engage in the arts.
